Hi Prue,

Thanks for confirming all below.

We have spoken to Mark who said easier to catch up when he is on site as wasn't planned to be back up to you when we called. Have sent him over the drawings and believe Adrian is going to chat to him about drainage positions hopefully next week.

We have not currently quoted the decorative strips you mention in your penultimate bullet point below – is this something you want added?

Kind Regards

Rachel Baugh

Subject: RE: Artares Louvered Roof Quotation

Hi Rachel

Thanks for the pictures.

We want to go ahead with these colours.

- the frame including fascia to be the dark grey (WT 29/1289)
- the fascia to have a plain design
- the louvered roof only to be Fir Green (RAL6009)
- the right strip to be dark grey
- and the blinds to be charcoal (7-210)

NOT having, not quoted, agreed ✓

Please can you arrange the order and confirming the timings in due course?

Also, did you manage to get hold of Mark?

Kind regards

Prue

Subject: RE: Artares Louvered Roof Quotation

Hi Ted & Prue,

Unfortunately my program is struggling to enter the exact colours onto the screens on your house model and likewise the Weinor portal is making the whole thing look really dark, so I would say it is somewhere in between! Hopefully it should give you an idea though. I have attached a pic of the sample colours you have selected together.

The existing Renson measurements are 4.5m x 3m x 2.5m High

- Weinor Artares 7m x 3m
- Scratchproof, resistant RAL colours with an elegant textured look
- Low-noise, high-quality louvers, with intelligent sensors
- Automatic weather protection
- Retractable Mesh Fix Screens to 3 sides, with long side on front being split into 2.
- Optional RGB fascia lighting to all sides
- Optional LED lighting in Louvres x 3
- Optional Tempura Quadra Heaters
- Compatible with smart home, mobile, tablet and voice control devices
