Subject: SO16009 Cost for New Louvers for shutters

Dear Mr Couillard,

I have again spoken to the supplier regarding replacing your louvers on your shutters.

I can advise on the costings below:

3 x new louvers inc shipping = £266.94 + GST
Fitting Charge - £69.00

Due to the colour being a custom colour, there is a surcharge which covers costs of machinery operations, colours etc.

What they have said, is if you wanted some spares – if you were to order x 6 louvers it would be £289.02.

All prices excluding GST.

If you can please let me know what you wish to do, I will be happy to assist further.

Please note the lead time for the louvers is approx 12-14 weeks due to Xmas cut off dates.

Kind regards,

Scotty

Morning Scotty

As your client will be paying the custom colour surcharge which is £122.43 plus vat, each louvre of the same material and colour ordered at the same time as this colour surcharge is charged to you at £3.68 plus VAT per louvre, so 6 louvres would cost you £144.51 plus VAT

Regards

Dave

Sorry Dave

One more thing please

I have asked for x 3 – what would the price be say for 6 louvers – would it be much more expensive? Just trying to justify the cost to client - if I get 6 possibly some for spares may look a bit better off for what they may spend

Thanks
scotty
