| <p>LEMON SORBET-ACID-MIDI STRIPE (RAILROADED) with narrow false hems attached to selvedge on back - have spoken with kim to confirm this. All stripes are to be vertical on all 3 blinds. 1 fabric has been printed railroaded to accommodate the size and avoid any vertical joins in the fabric. Please see attached visual. This fabric has been specially printed so please contact me rachel@cpinteriors.je if anything needs clarifying.</p> |  |  |                      |                                |  |
