Subject: SO16143 Moss - Idle End/Brake

Hi Abby and Rachael,

I hope you are both keeping well.

Have got an order for you to help me with if possible please?

Client Moss – original order SO8981 from 2019, it appears on two occasions late 2020 and early 2021 a new idle end/brake was supplied. Second time in 2021 seems to have been fine since but we did post back the faulty parts.

We have the same issue again – a new idle end/brake is required for one of the shutters.

I have added the original order below – can you please advise on the cost of a new one? Or are we lucky that it may still be covered under warranty?

I look forward to hearing from you.

1x idle end/brake under warranty
