Notes : To take measurements and discuss options for Dura garage. Looking at the entrance to Grands Vaux school, there is a residential road immediately to the left of it (not Les Ruisseaux). Go down this road, between the two pillars, the school is on your right and houses/flats on your left. Keep following this road up and to the left (looks a bit like a dead end but isn't) and my house is La Ferme - cream house at the top, with pale green windows
