Dear Mr and Mrs Fallaize,

As requested, please see attached our quote for the supply and fitting of plantation shutters.

We have based our quote on our Standard Antigua range for all the shutters except in the shower room, where we have based it on our Waterproof Java range. Here you can find some additional information regarding both:

<https://www.s-craft.co.uk/shutters/materials/antigua/>
<https://www.s-craft.co.uk/shutters/materials/java/>

I have also included some drawings for reference.

As mentioned over the phone earlier, our current lead time for plantation shutters is approximately 10-12 weeks.

If you have any questions at all, please do not hesitate to contact us.

Kind Regards

Tamara
