Our spoken and written advice focuses on an explanation of the best possible use of our products and services. It does not liberate you from the obligation to check fitness of our products and services for your particular purpose. That includes the inspection of the general condition and especially maximum capacity load of fixing base as well as forwarding all respective information in addition to your order to weinor. That way delivery of the correct type and number of brackets is guaranteed. If our product can not be used as upon agreement due to false or lacking information we or any auxiliary person do accept contractual or non-contractual liabilities only in case of malicious intent or gross negligence.

In order to mount all brackets corresponding their fixing base you will need suitable mounting systems. For mounting on concrete C20/25 we recommend heavy duty anchor-systems from fischer (e.g. FAZ II M12/10 GS or FAZ II M12/30 GS). In case of mounting on any other base referred to in our pricelist or on frontal concrete ceiling we recommend the use of injection systems from fischer (e.g. FIS V 360 S). You can order them directly from us.

If you use a different mounting system or your own brackets, you will need a table of pull-out resistance of screw anchors in order to determine the working load.

In addition, our General Terms of Delivery and Payment as per 01/2024, published under the link provided below are valid and we are happy to provide you with them free of charge upon request.

Dear Customer,

We herewith confirm your order based on the dimensions specified by you.

**IMPORTANT:** With immediate effect, you can technically release your orders from the weinor E-shop yourself and will be provided with a delivery date immediately. Moreover, it is possible to stop orders in the weinor E-shop independently up to a specific production point.

Trust in fast and safe in the future: Orders possible via the weinor E-shop are processed faster. Additionally, errors are virtually ruled out. The system instantly checks and confirms your configuration for technical feasibility.

Please observe that we can only name a likely delivery date after your final release. Each change requires re-engineering, thus extending the delivery period.

Please also take into account that changes to an order after release cause costs which we may have to pass on to you.

Please send the release to our telefax no.: +49 221 59709-83602 or by E-mail:  
freigabe@weinor.de

Many thanks!

**Sent:** 20 February 2025 11:33  
**To:** richard.true@live.co.uk; Pauline true  
**Subject:** SO16241 Extras for last Awning

Dear Mr & Mrs True,

I hope you are both well.

As you are aware we have recovered 2 of the awnings but the last one we could not fit due to some parts needing replacing. We would not have known until removing the awning that the parts would require replacement.

We have identified the parts needed for the awning, our supplier has advised us.

The cost of the parts is £133.35 + GST.

We do require these parts for the finishing off the awning.

If you have any questions or I can help any further please do let me know.

Kind regards,

*Scotty*  
Ruderham
