Subject: blinds specs

Dear Adrian, Rachel, Tamara

Following up on Adrian's recent visit, here are our decisions on the blinds specs.

We've decided to go for manual operation of the blinds. If we were redoing a room with many blinds, we think it would be worth considering electric operation, but in this case we're not, so manual operation is fine for us.

The spec of the blinds we'd like is as follows:

- Standard Venetian blind, 25mm for all
- 2-blind window upstairs: Master Collection: M7425 Band C 25mm aluminium stripe
- 3-blind window upstairs: Master Collection: M7425 embossed structure jute flat
- 2-blind window kitchen: Luxaflex 8068, 25mm

We haven't seen a Master Collection blind - but we're assuming that they work as well as the Luxaflex ones?

We'll hold off on the insect blind for the kitchen for the moment.

Based on those decisions, could you send a quotation please?

many thanks
Alan Richomme
