Subject: SO16380 Order Confirmed - Repair to Renson Textile Patio Roof

Dear Chula

Thank you for the 50% deposit received for order SO16380.

I can confirm the order has been placed and the fabric choice selected SWTH 939. I will monitor the order and will advise in due course of the estimated delivery date.

Once the repair is complete can I please advise on the following:

- The roof is retracted every evening and when not in regular use.

Please be mindful that heavy rainfall will overload the cover and potentially could stretch the fabric from the weight of the heavy downpours.

Kind regards,

Scott
