Subject: RE: SO16025 Graham

The below can all be standard distinction : where you've specified split stack, this is a double screen. You need to add a one off cost of £200 plus vat to the below for paint set up.

- Dressing Room: 1540x2020mm split stack : £612 x 2 = £1224 Plus VAT (double screen)
- Study: 1460x2240mm right stack : £825 plus VAT (single screen)
- Jacob's room: 1530x1990mm right stack : £778 plus VAT (single screen)
- Joshua's room: 1538x1988mm right stack : £778 plus VAT (single screen)
- Utility: 847x2030mm right stack : £612 plus VAT (single screen)

Minimum height on standard distinction is 1950mm. For the two below if the requirement is for a single screen, pleated, then we'd have to go down the special order Distinction XL route. Please advise.

- Master Bedroom: 1850x1942mm left stack
- Ensuite: 1833x1944mm right stack

For these two, same rules apply as above but you could use a Serene window screen which is pull down, or a Legacy door screen which is pull across. If the requirement is for a pleated screen, it would be another special order Distinction XL. This product has a 10 week leadtime. Please advise !

- Sophie's room W1: 952x1939mm right stack
- Sophie's room W2: 950x1937mm left stack

Thanks!
