Hi Robert,

Thanks for your time on the phone, please can we go ahead and place this order for 2 brackets as pictured below?

I would be grateful if you could get it dispatched as soon as possible as that would be a great help!

As discussed, we will get the payment sorted when the directors are back, so thank you for that.

Kind Regards

Hi Rachael

We only use DX as they complete all of the customs paperwork for us.

Hi Simon

Thanks for coming back so quickly! I actually have a photo of them...

We really wish it was just as simple as they were still attached to the wall but the cladding was being replaced hence the whole lot having to come down!

Do you have them in white?

Would you have a photo you could show me that I can send to our fitters so I know they'll be happy?!

Sorry for 21 questions

Kind Regards

Rachel

Hi Rachael

It's an old Base 2000 model, our current Base Plus brackets will fit. I am sure you have checked but they aren't still attached to the wall are they, the awning hooks off the bracket so they are not usually removed?

Bracket (Pair) cost is £30.00

Carriage to Jersey £79.00 (or you can send in a carrier for a collection if you prefer)

Kind Regards
