Hi Scott,

Further to our call just now – the bolts and a mill finish bracket are on there way to you so that you can install the blind.

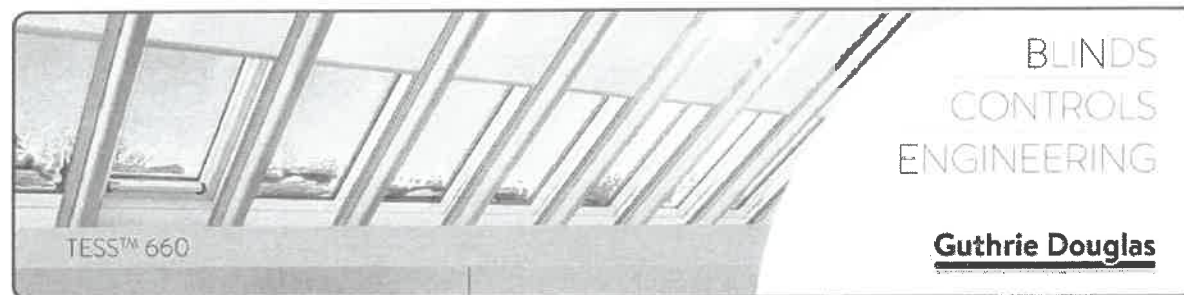

I have put an order through for a powder coated bracket, to be turned around as fast as possible, so that you can then switch it out when it arrives.

I will be able to give you a better idea of how soon this will be next week!

Kind regards,

SAM TAYLOR

Good Morning Sam

Just letting you know we have decided to ask DSV to collect the goods and they will ship to us after collection.

They have advised the goods will be collected tomorrow at some point from you, so if they can be ready to go that will be great.

Many Thanks for your help.

Hi Scott,

I contacted Leana on Monday regarding this, to advise on the shipping costs. Please see attached.

We can ship for £950 (which was my original estimate), but wanted to confirm this before despatching as Leana mentioned before that you may collect yourselves.

Please let me know how you would like to proceed.
