Hi Leeana,

I'm pleased to offer a new supplier from Germany wanted to introduce you to a new supplier from Germany, MAY, who manufacture high-quality parasols for both the residential and commercial markets. Their products are exceptionally well made, and I think they could be a great fit for certain projects. To give you a rough idea on pricing:

- The **2.6m square DaCapo parasol** with a **wall mount** option starts from **£2,094 (ex-works)**.
- The **2.1 x 3.0m rectangular version** starts from **£1,964 (ex-works)**.

These are the two sizes I'd recommend considering.

Why Choose the MAY DaCapo Cantilever Parasol?

The MAY DaCapo is a stylish and practical shade solution, especially well-suited to residential settings where space is limited.

- **Wall-Mount Option:** Ideal for patios and balconies, saving valuable floor space.
- **Flexible Shade All Day:** 360° rotation and easy tilt function to follow the sun.
- **Unobstructed Use of Space:** Cantilever design keeps the area beneath clear—perfect for dining or lounge furniture.
- **Elegant & Durable:** Built in Germany with premium, weather-resistant materials.
- **Easy Operation:** Smooth, intuitive mechanisms for effortless use.
- **Great Fabric Options:** A wide range of canopy colours and fabric types to suit any style.
- **Long-Term Support:** Replacement parts are readily available, making maintenance easy.

Let me know if you'd like more details, brochures, or samples—I think the DaCapo could be a great addition to your offering.

Best regards

Ian
