Subject: Plantation shutter enquiry

Good morning,

My brother Nick Matthews (Floor-it Jersey) recommended I spoke with you about some new plantation shutters for our new windows which we are getting soon.

Would you be able to provide if possible a rough idea of cost for the following size windows please just to give us an idea?

Dining room - 2295W x 1240H
Bedroom - 2295W x 1240H
Lounge - 3015W x 1560H
Bedroom - 3015W x 1560H

Many thanks,

Steve
