

Hi Rachel

Thank you for your enquiry,

A quilted bedcover of this size will need a horizontal join so would recommend square quilting to help disguise the seam.

Cost would be £420.00 + £50.00 shipping.

12.0m plain fabric required.

Kind regards

Adrian

Please can I get a quote for a bedspread, 3500 x 3600 flat size.

If you could provide a few design options that would be great. It is in a satiny type fabric like the below.

Kind Regards
