Dear Tropical,

Please can you review the photos from order SO17015 VOISINS.

We had 4 x venetian faux woods to fit and the line below was damaged when we opened the box.

The cord / string has snapped – when uncoiled as always it was just broken clean in half.
If you can please arrange for a re-make it will be greatly appreciated.

Good morning,

I am sorry to see this and apologies for any inconvenience caused.

Please be advised I am able to get a replacement motor sent out for you as chargeable upon inspection, this means that no money will be deducted from your balance it will just sit on your account.

Once the new motor has been received, I am then able to raise a collection of the faulty motor for an inspection and credit where necessary.

Please confirm if you are happy for me to continue?

Kind Regards
