Hi Tamara,

Thanks for getting in touch.

Yes I would like a quote based on the sizes mentioned in my previous email.

I would need them double, hand or cord operation, I would be interested in both, standard gliders, top fix.

Also, can you send me some photos with what you think would be suitable considering the description?

Thank you

Kind regards,
Marieta

Good morning Marieta,

Thank you for your email.

Unfortunately, we don't keep any tracks in stock and those in the photo are not something we can source from our suppliers. Our main supplier for curtain tracks is Silent Gliss. Should you want us to prepare a quote based on the sizes you gave us in the email below, I would need the following information:

- Do you need them to be double as in the photo?
- Hand operation or cord operation?
- Standard gliders or wave gliders
- Top or face fix

As for the part to cover the track, it is not something we stock either, sorry.

Look forward to hearing from you.

Kind Regards

Tamara

Good morning,

I hope you are well.

I'm emailing you to ask if you have by any chance in stock curtains truck rail and a mask that you can stick to the ceiling to cover the curtain rail, I'm not too sure how you call them but I attached some pictures if that helps.

Please let me know if you have any in stock.

I would need:

1 curtain truck rail x 3.4m

1 cover x 3.4m

1 curtain truck rail x 3.1m

1 cover x 3.1m

Please see pictures attached.

Thank you and I look forward to hearing from you.

Kind regards,

Marieta
