Morning Abby and Rachael

I hope you are both well.

We went to the clients house yesterday and discovered all we need is 3 x ' brackets that hold the slats together ' – does that make sense? – sorry terminology from my fitters is a bit like solving a mystery some days ha!

If so – please can you provide me with a quote inc delivery for x 5 of these? So I can supply x 3 and retain x 2 for stock?

Many thanks  
Scotty
