Just helping you understand , we can not specify control length as we have proved. Also the control length is determined by installation height as per portal it states this.

Blind 1 drop 1145 install height 2000mm cord length 800mm
Blind 2 drop 920 mm install height 2000mm cord length 500 mm
Blind 3 drop 915 mm install height 2000 mm cord length 700 mm

Please confirm Blind 2 will be remade with a 700 mm cord length under warrantee.

We would have changed the control cord ourselves, but have been informed this is not possible, is this correct in you experience .

All the best

Kind regards,

Adrian
