Hi Emma,

Thank you very much.

The total height of the shutters would be as follows:

Living Room W1: 1900mm

Living Room W2: 1800mm

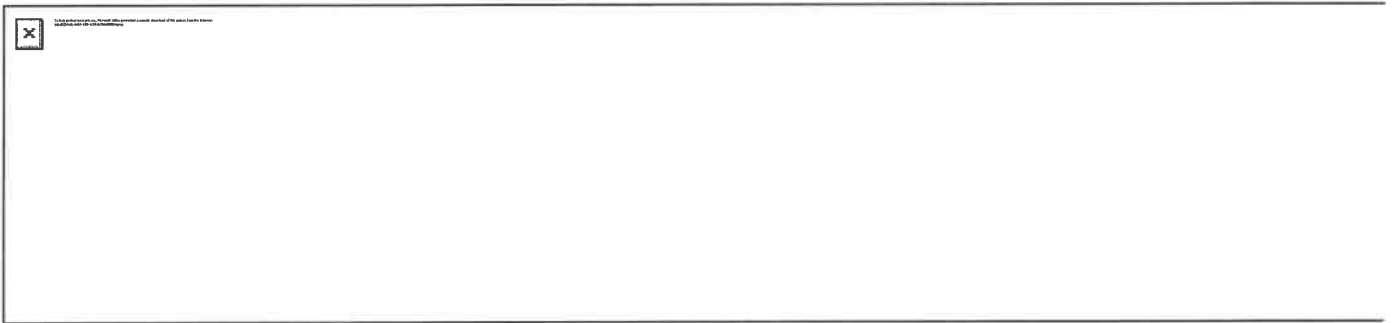

And we would also need a top frame. If you could please give us a cost for it, we will let the client know. When they decide if they want to go ahead or not, we will let you know as well. Many thanks.

Kind Regards

Good afternoon,

We have a client who would like to turn his café style shutters into tier-on-tier. Can you please advise on how we can quote for this on the portal? The original order was SCC221052608, and the drop of the top panels would be as follows:

- Living Room W1: 950mm
- Living Room W2: 910mm

We would need the top panels and a new left and right frame to cover both tiers. Many thanks.

Kind Regards
