CONDITIONS:

1. Unless otherwise stated, prices are valid for 90 days or until the end of the current year if this is sooner.
2. Prices quoted are valid for the quantities listed: any smaller requirements may not qualify for the same pricing.
3. Quotes are valid for a single shipment unless otherwise noted. Additional fees may apply for multiple shipments.
4. All prices in the currency as noted. Edmund Bell & Co Ltd reserves the right to alter quotations in the event of significant exchange rate changes.
5. Unless otherwise explicitly agreed, Edmund Bell & Co Ltd retains the right not to release for shipment any order including goods quoted for herein if other invoices on your trading account with us are in contravention of their associated credit terms.
6. Carriage terms: EXW Rochdale, UK - Incoterms 2010, unless otherwise noted. Carriage transit times are approximate and not within Edmund Bell & Co Ltd's control. Carriage transit times are in addition to any lead times before dispatch disclosed in other correspondence.
7. Any special request (e.g. test reports, customs certification, first article inspections, special packaging) that were not noted on the quote request may incur an additional fee.
8. If goods are described as "special" or "custom" and produced to order, the final quantity and value invoiced may vary by a tolerance of 10% more or less.
9. Edmund Bell will make every effort to accommodate any delays to the customer's ability to accept delivery of goods. However, we reserve the right to begin charging storage fees from 2 calendar weeks after the originally confirmed dispatch date or the actual availability of goods where this is later. Storage fees will be charged at a rate of £0.05 per linear metre per calendar week. Edmund Bell further reserves the right to invoice for full payment and dispose of the goods in any way it sees fit unless delivery is taken immediately if goods allocated to a confirmed customer sales order remain uninvoiced 3 calendar months after the originally confirmed dispatch date or the actual availability of goods where this is later.
