Hi Tamara. Just checking if you got my email below as I got a message saying it didn't send as the attachments were too large?

Best,

Thanks for your time and patience yesterday, Tamara.

We've made some progress. Having looked at other fabrics online, we've decided to re-upholster the armchair, as you suggested, in Petropolis Jewel BP 10816 3 from GP & J Baker - photos attached. Do they do a cushion to match?

*185
£183.33
P/m*

The kitchen seat covers are to be in Warwick Plush Velvet, Shiraz. It says they are easy clean but Mary noticed they can't be machine washed? How should they be cleaned (they are bound to get dirty at the kitchen table)? Subject to that query, we can go ahead with that choice. *Sent instructions*

We haven't yet decided on the fabric for the kitchen blinds. Romo - Burford red tulip or Rowan red tulip are possibilities. Can you get a sample of another one from Cole & Son? The colour may not be right but it's Feather Fan Jacquard SKU: F111/8028 in magenta on charcoal (attached). *ordered*

Yesterday we said we'd go with integrated returns where the blinds are face fitted on the outside of the recess. Which windows does that apply to? I attach a photo of one of the kitchen windows where you can see a fuse box cupboard on the right which would be in the way I imagine? I attach the LHS photo for comparison. Finally, on this kitchen I attach a photo of the other window where there is no obstruction just so you have it. }

Turning to the cottage kitchen, I said I'd send a photo. You can see the colour scheme is neutral except the cooker is pale blue. A photo of the window is attached as well.

Can you get samples of the following from the Cole & Son fabric range?

Palm Jungle Linen, SKU: F111/2006 LU in Hyacinth on White.
Miami Cotton, SKU: F111/4012 in Petrol Multi.

Ordered.

Sorry to add to your tasks!

Dear Mr & Mrs Robinson,

As promised, please see attached the revised quote for the supply and fitting of blinds and curtain tracks.

We have prepared two different versions of the quote:

- Q1 for Romans with pelmet flaps as those we supplied elsewhere in the house
- Q2 for Romans with integrated returns.

The integrated returns are a new option (wasn't available before) that hides the sides of the headrails. It is a great option when the blinds are face fitted on the outside of the recess. Here you can see a couple of photos:

<image003.png>

<image004.png>

I hope this helps, but please do let us know if you have any questions at all.

Kind Regards
