Dear Sirs

I've just received your letter regarding
my blind in our bedroom.

I do not understand why there is a
confusion, I had asked for a piece for
a new curtain (blind) the one that I
wanted to replace had fallen off the
roller. But, without any request
as there was put back something that
took a minute or 2.

As why send me a bill for
so much. I don't understand.

Can you tell me how much a
new one would cost that's what
I need.

P.S. My wife has just died 2 days ago and
I am very upset. Please do not
add problems to my sorrow.

Life is hard enough for me now
I can't take any more problems.
Yours
Ruth

P.S

Had been told of the
change for call out of would
not have proceeded with the
request for a price
