Hi Richard and Debbie,

I hope this finds you both well.

Following our visit, please find attached quotation for the replacement unit and furniture damaged by storm Gorette.

With regard to the furniture the same items are no longer available so I have priced based on cost of living increases, this then will give you an amount of funds with which we can help you decide on an alternative replacement.

Please note patio slab work and electrics are PC sums.

If I can help with anything else, please let me know

Kind regards,

*Leeana*
