Hi Filomena

We have a big problem – we have ordered the 3 x blinds to be remade and received them but they are battery operated and not hard wired as previous.

We will need these re made please again and as hard wired.

Please see photos attached to this email – the original hard wired example of the 3 x blinds, and one attached of what you have re made – 3 x battery operated

Please can you get back to me asap

Thanks

Scotty
