You will receive an email with the same information (within 24 hours). Please save it, as it serves as a receipt. Add info@borastapeter.com to your address book/whitelist to prevent the email from ending up in your spam folder.

In-stock items are delivered to the nearest pickup point or directly to your home within 3-5 working days. Wallpapers printed on demand (e.g., custom-sized wallpapers) are produced within 3-5 working days and shipped thereafter. For Pro Surface, the production time is 14 working days. Please ensure you collect your wallpapers in good time.

If you have ordered multiple items and one is out of stock, we will wait to ship your entire order. If you cannot wait for the remaining items, you are welcome to contact us.

On-demand wallpapers are always shipped in a separate package once they have been produced.

Wallpaper samples are always sent in a separate envelope directly to your mailbox and are not trackable. Delivery time: 2-14 working days.
