Many thanks Scott

Please find attached a photo of the bathroom blind. The mechanism is starting to go and as you may be able to see the edges are frayed.

The size of the window is 147 cms x 101 cms. *Additional window*

Hope this helps and look forward to hearing from you or the agent in due course.

All the best

Hello Scott

I hope you had a great weekend.

Sorry, I missed one of the blinds. It is the blind in the en suite off the main bedroom. It is permanently down, which is why I forgot about it.

However, it is in a similar condition to the other blinds you are looking at. I could send a photo and measure the window, if that would help?

Look forward to hearing from you.

All the best

Good Morning Mr O'Shea

I hope all is well.

Following on from yesterday's appointment, my fitter has reported back he has serviced the vertical blind track but unfortunately the roller blinds are beyond repair.

Due to the condition and age of the blinds, we are unable to assist in repairing them.

If you would like to consider new blinds, please feel free to give me a call and I can arrange for my director to come to your property to measure up and advise on replacement options. We will then send a free quotation.

I look forward to hearing from you.

Kind regards,

Scotty
