**Subject:** Quote SO17257 from CP Interiors

Hi Leeana – can you please review and change anything required thanks!

Good afternoon Mr & Mrs Hern,

Please find attached quotation SO17257 for a replacement Weinor Opal Design II awning.

We have liaised with Weinor and they have informed us that the fabric supplied with your awnings in 2021 has been discontinued. They have double check with their suppliers, and they have no more of this fabric.

As you have matching fabric for both awnings side by side, we have included in the quote a separate line to offer replacing the fabric on the other existing awning – if you were to proceed with the new awning in the colour of your choice.

I have also attached the quote SO17160 for the parts required to repair the existing awning that we have been discussing. Unfortunately, Weinor did not make us aware until after the quotation was sent to you that the fabric colour was discontinued so the colour choice for the repair on the awning will have to be selected from their current range of colours.

If you wish to proceed with any of the offers please do let us know at your earliest convenience. Please be advised current lead times for all of the above is approx. 6-7 weeks.

Kind regards,

*Scotty*  
Ruderham

Hi Scott,

You have informed us regarding damaged awning.

To determine what exactly defect is and to send correct parts we need photos of damaged awning.

Could you please send us photos that shows the situation?

Thanks a lot

Yours sincerely
