Notes

- All prices are subject to VAT.
- Price fixed to 31st of December 2026.
- Delivery 4 weeks from receipt of order and full site dimensions.
- All timber and building works by others and costed elsewhere.
- **Electric systems will require a suitable power outlet to be fitted at a distance of no greater than 1 metre from the motor.**
- **All wiring (by others measured elsewhere) to be strictly in accordance with Silent Gliss wiring diagrams, available on request.**

- The switching, control and connection proposals given are subject to the necessary wiring being installed and the required switch contacts and switching configurations being made available by the control system. **It is your responsibility** that all relevant parties are informed of these requirements and that all are in agreement that the proposals are possible with any control equipment planned for or already installed.
- ▪ The switching, control and wiring requirements proposed are based upon information made available (by others) at the time of writing. Any changes in respect of the control system capabilities or Silent Gliss product types required should be made known to us as soon as possible. We cannot accept responsibility for the return of our products should they prove incompatible with any control system due to undisclosed changes
- ▪ All Silent Gliss hardware is guaranteed for 5 years and manufactured to BS EN ISO 9001:2015 quality standards.

- Silent Gliss Terms and Conditions apply, please see attached.

We trust our quotation is in line with your requirements, but should you require any further assistance please do not hesitate to contact the writer via their mobile no: 07764 252714 or via the Internal Sales Coordinator, Sally Brown at our Broadstairs office on telephone 01843 874218.

Yours sincerely
Silent Gliss Limited
