Gary Notes	Specials	<p>We require scaffold available and erected - day one to take all away which requires workshop repair. Some fabrics will be changed for new where they are not repairable. Day one we will also need around 3 hours to work on blinds lower hall which we can move and possibly repair on site. Chapel blind middle has to be remade - the other two larger blinds may need workshop repair if we cant weld bottom bar on site. We will have a complete workshop day to repair all damaged products and have them rebuilt ready for re install Day 2 - upto 10 days after- return to school scaffold to be erected - blinds re in</p> <p>Special Instructions We require scaffold available and erected - day one to take all away which requires workshop repair.
