Hi Graeme,

I had Mr Strachan Hill in the Goldcrest showroom this morning. He wants to go with Seaside Sky Blue for the kitchen & lounge blinds (electric) and possibly stay with Splash Butter for the bedroom. He would like to know if he can get a cream Louvolite bottom bar to match the butter blind instead of senses, if so can you price him for the Louvolite bottom bars in cream for the butter blind and white for the seaside blinds. If not, he is ok with either the senses bar in cream for the butter blind only and white Louvolite bars for the seaside blinds but if the Louvolite bars are too expensive then he will just stick with the senses bottom bars for all blinds that he has already been re quoted for. He would also like the blinds reverse rolled to hide the roll without buying a cassette. He is no longer looking for the Bella Paper blinds at all.

I have spoken to Morag and she would like you to call him to arrange for you to go out sometime this week to finish off the order with him. His daughter lives next door and may also be looking for blinds for her downstairs. Can you call him to arrange this please?

Mhairi
