Hey Lucy

I have taken a call from a Mrs Wilson who has an appointment for Friday for a motorised roller as the motor on the one she has is not working. She is saying that a young girl called her and asked her to take the motor off and bring it into the showroom and we would replace? Her husband has tried to do so and now the curtain track ect has fallen down and she is looking for a call back if someone can assist. Her number is 01224 868970.

Kind Regards

Debbie Young
