Prices

Above price is zero rated VAT, includes installation and excludes any import duties the client will be liable for. Please note we offer to invoice separately 40/60 goods/freight & install to reduce any import duty the client might be liable to pay.

The quotation is valid for 1 month and needs to be repriced after 6 months. Pricing assumes installation within 6 months of order date unless otherwise agreed - early order is recommended to enable Grants to assist with project management.

Installation period to be agreed and pricing may be subject to price increases if project is delayed or takes more than 12 months to complete from time of order. Increases will be tied in with supplier costs and inflation rates at the time.

Prices allow for up to a 6% increase in supplier pricing during the expected project completion period but should raw material or travel cost change significantly due to situations outside our control then further increases may have to be passed to the client.

Payment terms

Payment terms are usually 50/50. 50% Deposit with order, 50% at least 2 weeks prior to install commences. If survey is completed, the products are ordered and installation is delayed by the client the final payment is required to be paid.

Warranty - Overseas Installation

All products are guaranteed for 5 years, worn and defective parts replaced free of charge but travel related costs and travel time are chargeable.

Additional Charges

If any changes are made by the client after the survey, or any agreed building requirements are not put in place by the client prior to installation resulting in a problem with the products, any extra work required from this will be chargeable back to the client.

Access

Access equipment will be needed to be provided by the client for survey and installation.

Freight & Shipping

A provisional sum of £2,000.00 has been built in to the cost for shipping but this will be subject to final costs at time of shipping. Import duties if applicable must be borne by the client.

Power Supply And Wiring

110V mains power will need to be provided to each mains voltage blind and a single mains power outlet will need to be supplied to serve every 7 low voltage blinds (if applicable). This is to be provided by the client/main contractor prior to installation. Grants Blinds will provide a full wiring diagram following order.

AV Integration

This will be discussed following order, pricing includes for a stand alone system working from remote held handsets and no allowances have been included for integration to the home automation system.

Delivery Timescales

*12-16 weeks from survey & all options confirmed by the client e.g. fabrics / RAL colours.
Please note we work to these timescales to the best of our ability, on occasion events occur outside our control that can cause delays.*
