Blindspace Installations

It is recommended that the Blinds & Blindspace products are ordered together to ensure that the end result can be project managed and guaranteed by Grants blinds and not subject to change of specification that may affect the dimensions required. Blindspace products are on a supply only basis, following an initial guidance and/or survey by Grants Blinds. Unless otherwise agreed, the contractor will do the installation and not Grants Blinds. Once installed the areas around the Blindspace boxes will need to be finished off by the contractor, i.e., plastered in and areas painted. The covers will need to be finished off by the contractor after the install and commissioning of blinds. Where Blindspace is ordered separately no project management or site attendance is available.

Delivery timelines

Delivery for Blindspace boxes is 4-6 weeks from the signed off schedule by the clients' project manager. Design for inclusion of Blindspace remains the responsibility of the client or the clients' representatives. Grants do offer a Blindspace installation service charged at a day rate of £850 ex vat or can provide a quotation on a job-by-job basis.

Delivery for blinds is 8-10 weeks from final survey and specification being completed. Installation time 2-3 weeks.
