£16,915.22

Grand Total:
£33,830.45

Itemised ex VAT:

To measure supply and install French Pinoleum blinds to suit large lean to style roof. Blinds to be made using Flatweave material in Haddon Hall.

Motorised Roof Blinds fitting between glazing bars for the sum of £35,611.00 zero VAT

LESS 5% discount applied £1,780.55 zero VAT

Total for above £33,830.45 zero VAT

£16,915.22

Blind layout and number of blinds to be confirmed.

Pricing includes installation, excludes any import duties the client will be liable for and assumes installation within 6 months of order date unless otherwise agreed. Early order is recommended to enable Grants to assist with project management.

Installation period to be agreed and pricing may be subject to price increases if project is delayed or takes more than 12 months to complete from time of order. Increases will be tied in with supplier costs and inflation rates at the time.

Prices allow for up to a 6% increase in supplier pricing during the expected project completion period but should raw material or travel cost change significantly due to situations outside our control then further increases may have to be passed to the client.

Payment terms

50/50. 50% Deposit with order, 50% at least 2 weeks prior to install commences. If survey is completed, the products are ordered and installation is delayed by the client the final payment is required to be paid.

Our bank details for BACS payments are:

Leigh House Solutions

Warranty - Overseas Installation

All products are guaranteed for 5 years, worn and defective parts replaced free of charge but travel related costs and travel time are chargeable.

Additional Charges

Please note that that we cannot survey until all structures that affect blind measurements are in place (e.g. plasterboard & plaster, joists, window sills, skirting boards, tiling, architrave etc.).

When the blinds are installed, all plasterboard work, floor work and decorating must be complete unless otherwise agreed in writing. In order to prevent damage to the blinds, the environment must be entirely dust free and watertight. The customer is responsible for clearing the room in which survey or installation is to take place and to allow reasonable access for work.

If any of the above is not adhered to additional charges may apply.

If any changes are made by the client after the survey, or any agreed building requirements are not put in place by the client prior to installation resulting in a problem with the products, any extra work required from this will be chargeable back to the client.

Access

Access equipment will be needed to be provided by the client for survey and installation.

Freight & Shipping

A provisional sum of £2,000.00 has been built in to the cost for shipping but this will be subject to final costs at time of shipping. Import duties if applicable must be borne by the client.

Power Supply And Wiring

110V mains power will need to be provided to each mains voltage blind and a single mains power outlet will need to be supplied to serve every 7 low voltage blinds (if applicable). This is to be provided by the client/main contractor prior to installation. Grants Blinds will provide a full wiring diagram following order.

AV Integration

This will be discussed following order, pricing includes for a stand alone system working from remote held handsets and no allowances have been included for integration to the home automation system.

Platinum Service Contract

We offer a 5 year service contract for an additional fee which covers an annual visit to check and maintain the roof blinds are all in good working order. This service is recommended for Garden Room Shading Products. POA
