Once installed the areas around the Blindspace boxes will need to be finished off by the contractor, i.e., plastered in and areas painted. The covers will need to finished off by the contractor after the install and commissioning of the track. Where Blindspace is ordered separately no project management or site attendance is available.

Delivery timelines

Delivery for Blindspace is 4-6 weeks from the signed off schedule by the clients' project manager. Design for inclusion of Blindspace remains the responsibility of the client or the clients' representatives.
