Terms:

50/50

Description

Total Price

To measure supply and install one number top down Duette blind stacking on the sloping edge behind aluminium pelmet finished to match the window structure.

Gable

1 No. Motorised Top Down blind in sun protection material for the sum of	£ 6,418.36
Aluminium pelmet finished to match the window structure	£ 1,735.19

Proposal:

Prices are based on the different window areas being ordered at the same time and if parts of the proposal are ordered separately, the price may be subject to change.

Pricing

All prices exclude VAT. The quote is valid for 1 month from the date the quotation is sent, requotes must be done within 6 months.

Payment terms

Payment terms 50/50 - 50% deposit with order, 50% balance payment at least 2 weeks prior to installation. If survey is completed, the products are ordered and installation is delayed by the client, the interim payment is required to be paid.

Additional Charges

If any changes are made by the client after the survey, or any agreed building requirements are not put in place by the client prior to installation resulting in a problem with the products, any extra work required from this will be chargeable back to the client.

Access

Access equipment for installations over 3600mm off floor level or specialist equipment is not included in the quote and will need to be provided by the main contractor.

Power Supply and Wiring

240V fused spur is to be provided by the client/main contractor prior to installation. Price includes for concealed low voltage wiring during construction of the building provided the products are ordered in sufficient time.

Blindspace Installations

It is recommended that the Blinds & Blindspace products are ordered together to ensure that the end result can be project managed and guaranteed by Grants blinds and not subject to change of specification that may affect the dimensions required.

Unless otherwise agreed, Blindspace products are on a supply only basis following an initial guidance and/or survey by Grants Blinds. The contractor will do the installation including the Blindspace covers and not Grants Blinds. Once installed the areas around the Blindspace boxes will need to be finished off by the contractor, i.e., plastered in and areas painted. The covers will need to be finished off by the contractor after the install and commissioning of blinds.

Where Blindspace is ordered separately no project management or site attendance is available.

Delivery timelines

Delivery for Blindspace boxes is 4-6 weeks from the signed off schedule by the clients' project manager. Design for inclusion of Blindspace remains the responsibility of the client or the clients' representatives. Grants do offer a Blindspace installation service and can provide a quotation on a job-by-job basis.

Delivery for blinds is 8-10 weeks from final survey and specification being completed. Installation time 2-3 weeks.
