Dear Sivia Volpe,

Thank you for the opportunity you have given Grants, to quote for blinds to suit your property.

Should you favour Grants, we believe you will benefit from a supplier who not only offers high quality products but will also provide total support, excellent service and a full understanding of your requirements.

Your project will receive our careful attention at all times and we will endeavour to assist you in maximising the use and enjoyment of your property. Grants ensure a first-class service from inception to completion.

Yours sincerely

Pricing:

All prices include fitting and have zero VAT.

Excludes Hotel accommodation, subsistence & transport from within the islands. One survey and one install visit allowed for including flights.

Import duties, if applicable, must be borne by the client. The quote is valid for 1 month from the date the quotation is sent, re-quotes must be done within 6 months.

Warranty - Overseas Installation:

All products are guaranteed for 2 years, worn and defective parts replaced free of charge but travel related costs and time on site are chargeable.

Additional Charges:

If any changes are made by the client after the survey, or any agreed building requirements are not put in place by the client prior to installation resulting in a problem with the products, any extra work required from this will be chargeable back to the client.

Payments:

Standard payment terms are 50/50 deposit with order, balance at least 2 weeks prior to despatch of goods to site unless otherwise agreed. Full payment plan and shipping content and stages will be agreed at order stage with timescales agreed.

If survey is completed, the products are ordered and installation is delayed by the client, the balance payment is required to be paid.

Prices

Allow for up to a 6% increase in supplier pricing during the expected project completion period (to be stated i.e. Q3/2022) but should raw material or travel cost change significantly due to situations outside our control then further increases may have to be passed to the client.

Access equipment

Will be needed to be provided by the client for survey and installation.

Freight & Shipping:

A provisional sum has been included in the proposal but this may be subject to change at time of despatch due to the current global situation. Additional shipping costs will be charges at cost plus 10%.

Power Supply and Wiring:

110V mains power will need to be provided to each mains voltage blind and a single mains power outlet will need to be supplied to serve every 7 low voltage blinds (if applicable) is to be provided by the client/main contractor prior to installation. Grants Blinds will provide a full wiring diagram following order.

AV Integration:

This will be discussed following order, pricing includes for a stand-alone system working from remote held handsets and no allowances have been included for integration to the home automation system.
