Description

To measure supply and install the following window treatment products to suit the following glazing areas.

Glass Roof

**2 No. Endurashade R21 Tensioned Skylight Motorised Roller Blind with Side Guide Channels
made using Goodrich 3% material**

2 No. Blindspace® headbox concealment used as Pelmet

Top Section

**3 No. Endurashade T10LV Roman Blind - Freehanging LV Motorised Blind made using Flatweave material
in a standard Grants colour with Solar Reflective Lining**

Pricing

Assumes installation within 6 months, early order is recommended to enable Grants to assist with project management. Installation period to be agreed at order stage and pricing may be subject to increase if the project is delayed.

Payment terms

50/50: 50% deposit with order, remaining 50% payment at least 2 weeks prior to blind installation. If survey is completed, the products are ordered and installation is delayed by the client, the final payment is required to be paid.

Our bank details for BACS payments are:

*Leigh House Solutions
Sort code: 55-81-26
Account No: 88174085
Old Bank Winchester NatWest
IBAN - GB73NWBK55812688174085
Bic/SWIFT - NWBKGB2L*

For card payment please contact your Sales Designer who will send you the invoice/link to pay online.

Additional Charges

Please note that that we cannot survey until all structures that affect blind measurements are in place (e.g. plasterboard & plaster, joists, window sills, skirting boards, tiling, architrave etc.).

Description

When the blinds are installed, all plasterboard work, floor work and decorating must be complete unless otherwise agreed in writing. In order to prevent damage to the blinds, the environment must be entirely dust free and watertight. The customer is responsible for clearing the room in which survey or installation is to take place and to allow reasonable access for work.

If any of the above is not adhered to additional charges may apply.

If any changes are made by the client after the survey, or any agreed building requirements are not put in place by the client prior to installation resulting in a problem with the products, any extra work required from this will be chargeable to the client.

Access

Access equipment for installations over 3600mm off floor level or specialist equipment is not included in the quote and will need to be provided by the main contractor.

Power Supply and Wiring

240V fused spur to be provided by the client/main contractor prior to installation. Price includes for concealed low voltage wiring during construction of the building provided the products are ordered in sufficient time.

Controls and AV Integration

Unless stated, our proposal does not allow for any products to enable blinds to be controlled by a 3rd party AV control system. Pricing for this will be provided once the specified requirements are confirmed by the AV company responsible for the integration. Pricing allows for the commissioning of blinds.

Blindspace Installations

It is recommended that the Blinds & Blindspace products are ordered together to ensure that the end result can be project managed and guaranteed by Grants blinds and not subject to change of specification that may affect the dimensions required.

Where Blindspace is ordered separately no project management or site attendance is available.

Delivery timelines

Delivery for blinds is 8-10 weeks from final survey and specification being completed. Installation time 2-3 weeks.

Main Contractors Discount

Has not been included but will need to add to pricing if required.

CIS scheme

Blinds & curtains are not part of the CIS scheme.
