### Description

To measure supply and install the following window treatment products to suit the following glazing areas.

Glass Roof

**2 No. Endurashade R21 Tensioned Skylight Motorised Roller Blind with Side Guide Channels**

**made using Goodrich 1% Pearl material**

**2 No. Blindspace® headbox concealment used as Pelmet**

Top Section

**3 No. Endurashade T10LV Roman Blind - Freehanging LV Motorised Blind made using Flatweave material**

**in Farmhouse Door with Solar Reflective Lining**

#### Pricing

Assumes installation within 6 months, early order is recommended to enable Grants to assist with project management. Installation period to be agreed at order stage and pricing may be subject to increase if the project is delayed.

#### Payment terms

50/30/20: 50% deposit with order, remaining 30% payment 2 weeks prior to blind installation and balance payment on installation. If survey is completed, the products are ordered and installation is delayed by the client, the final payment is required to be paid.

Our bank details for BACS payments are:

Leigh House Solutions

Sort code: 55-81-26

Account No: 88174085

Old Bank Winchester NatWest

IBAN - GB73NWBK55812688174085

Bic/SWIFT - NWBKGB2L

For card payment please contact your Sales Designer who will send you the invoice/link to pay online.

#### Additional Charges

Please note that that we cannot survey until all structures that affect blind measurements are in place (e.g. plasterboard & plaster, joists, window sills, skirting boards, tiling, architrave etc.).

## Description

*When the blinds are installed, all plasterboard work, floor work and decorating must be complete unless otherwise agreed in writing. In order to prevent damage to the blinds, the environment must be entirely dust free and watertight. The customer is responsible for clearing the room in which survey or installation is to take place and to allow reasonable access for work.*

*If any of the above is not adhered to additional charges may apply.*

*If any changes are made by the client after the survey, or any agreed building requirements are not put in place by the client prior to installation resulting in a problem with the products, any extra work required from this will be chargeable to the client.*

### *Power Supply and Wiring*

*240V fused spur to be provided by the client/main contractor prior to installation. If this is not possible, Grants will use the nearest socket and surface wire as neatly as possible.*

### *Controls and AV Integration*

*Remote control and/or radio wall switch will be provided – options to be discussed at survey. Unless stated, our proposal does not allow for any products to enable blinds to be controlled by a 3rd party AV control system. Pricing for this will be provided once the specified requirements are confirmed by the AV company responsible for the integration. Pricing allows for the commissioning of blinds.*

### *Delivery timelines*

*Delivery for blinds is 8-10 weeks from final survey and specification being completed.*

### *Main Contractors Discount*

*Has not been included but will need to add to pricing if required.*

### *CIS scheme*

*Blinds & curtains are not part of the CIS scheme.*
