Warranty - Overseas Installation:

All products are guaranteed for 5 years, worn and defective parts replaced free of charge but travel related costs and time on site are chargeable.

Additional Charges:

If any changes are made by the client after the survey, or any agreed building requirements are not put in place by the client prior to installation resulting in a problem with the products, any extra work required from this will be chargeable back to the client.

Payments:

25/25/50: 25% deposit with order, 25% interim payment prior to ordering goods or going to site and balance payment at least 2 weeks prior to despatch of goods to site unless otherwise agreed.

Full payment plan and shipping content and stages will be agreed at order stage with timescales agreed. If survey is completed, the products are ordered and installation is delayed by the client, the balance payment is required to be paid.

Prices:

Allow for up to a 6% increase in supplier pricing during the expected project completion period (to be stated i.e. Q1/2026) but should raw material or travel cost change significantly due to situations outside our control then further increases may have to be passed to the client.

Access equipment:

Will be needed to be provided by the client for survey and installation.

Freight & Shipping:

A provisional sum has been included in the proposal but this may be subject to change at time of despatch due to the current global situation. Additional shipping costs will be charges at cost plus 10%.

Power Supply and Wiring:

Mains power will need to be provided to each mains voltage blind and a single mains power outlet will need to be supplied to serve every 7 low voltage blinds (if applicable) is to be provided by the client/main contractor prior to installation. Grants Blinds will provide a full wiring diagram following order.
