### **Power Supply and Wiring**

240V fused spur is to be provided by the client/main contractor prior to installation. Price includes for concealed low voltage wiring during construction of the building provided the products are ordered in sufficient time.

### **Blindspace Installations**

It is recommended that the Blinds & the Blindspace products are ordered together to ensure that the end result can be project managed and guaranteed by Grants blinds and not subject to change of specification that may affect the dimensions required. Blindspace products are on a supply only basis, following an initial guidance and/or survey by Grants Blinds. Unless otherwise agreed, the contractor will do the installation and not Grants Blinds. Once installed the areas around the Blindspace boxes will need to be finished off by the contractor, i.e. plastered in and areas painted. The covers will need to be finished off by the contractor after the install and commissioning of blinds. Where Blindspace is ordered separately no project management or site attendance is available.

### **?Delivery timelines**

Delivery for Blindspace boxes is 4-6 weeks from signed off schedule by Clients' project Manager. Design for inclusion of Blindspace remains the responsibility of the client or the clients representatives. Grants do offer a Blindspace installation service charged at a day rate of £850 ex vat or can provide a quotation on a job by job basis.

Delivery for Blinds is 8-10 weeks from final survey and specification being completed. Installation time 2-3 weeks

### **Terms and Conditions**

Our standard terms and conditions apply, copies available on request. Pricing Assumes installation within 6 months, early order is recommended to enable Grants to assist with project management. Installation period to be agreed at order stage and pricing may be subject to increase if project is delayed.

### **Payment terms**

50/50: 50% Deposit with order, remaining 50% payment 1 week prior to installation. If survey is completed, the products are ordered and installation is delayed by the client the final payment is required to be paid.

Additional Charges

If any changes are made by the client after the survey, or any agreed building requirements are not put in place by the client prior to installation resulting in a problem with the products, any extra work required from this will be chargeable to the client.

### **Access**

Access equipment for heights over 3600mm off floor level or specialist requirement is not included in the quote and will be required to be provided by the main contractor.

### **Power Supply and Wiring**

240V fused spur to be provided by the client/main contractor prior to the installation. Price includes for concealed low voltage wiring during construction of the building provided the products are ordered in sufficient time.

### **Controls and AV Integration**

Unless stated our proposal does not allow for any products to enable blinds to be controlled by a 3rd party AV control system. Pricing for this will be provided once the specified requirements are confirmed by the AV company responsible for the integration. Pricing allows for the commissioning of blinds.

### **Blindspace Installations**

It is recommended that the blinds and the Blindspace products are ordered together to ensure that the end result can be project managed and guaranteed by Grants Blinds and not subject to change of specification that may affect the dimensions required. Products are on a supply only basis, following an initial guidance and/or survey by Grants Blinds. Unless otherwise agreed the contractor will do the installation and not Grants Blinds. Once installed the areas around the Blindspace boxes will need to be finished off by the contractor after the install and commissioning of blinds.
