Proposal:

Prices are based on the different window areas being ordered at the same time and if parts of the proposal are ordered separately, the price may be subject to change.

Pricing

All prices include fitting of blinds and exclude VAT. The quote is valid for 1 month from the date the quotation is sent, re-quotes must be done within 6 months.

Payment terms

Payment terms 50/50 - 50% deposit with order, 50% balance payment at least 2 weeks prior to installation. If survey is completed, the products are ordered and installation is delayed by the client, the balance payment is required to be paid.

Additional Charges

If any changes are made by the client after the survey, or any agreed building requirements are not put in place by the client prior to installation resulting in a problem with the products, any extra work required from this will be chargeable back to the client.

Access

Access equipment for installations over 3600mm off floor level or specialist equipment is not included in the quote and will need to be provided by the main contractor.

Power Supply and Wiring

240V fused spur is to be provided by the client/main contractor prior to installation. Price includes for concealed low voltage wiring during construction of the building provided the products are ordered in sufficient time.

Blindspace Installations

It is recommended that the Blinds & Blindspace products are ordered together to ensure that the end result can be project managed and guaranteed by Grants blinds and not subject to change of specification that may affect the dimensions required.

Blindspace products are on a supply only basis, following an initial guidance and/or survey by Grants Blinds. Unless otherwise agreed, the contractor will do the installation including the Blindspace covers and not Grants Blinds. Once installed the areas around the Blindspace boxes will need to be finished off by the contractor, i.e., plastered in and areas painted. The covers will need to be finished off by the contractor after the install and commissioning of blinds.

Where Blindspace is ordered separately no project management or site attendance is available.

A standard delivery cost has been included in the above Blindspace prices. Where the required length exceeds 2900mm, Blindspace will cut the boxing into equal lengths prior to despatch. Two boxes can be connected and aligned with 4 splice pins and cover with 1 splice plate which will be included in the delivery. If this is not suitable, we can arrange delivery of oversize orders for an additional delivery cost (POA).

Delivery timelines

Delivery for Blindspace boxes is 4-6 weeks from the signed off schedule by the clients' project manager. Design for inclusion of Blindspace remains the responsibility of the client or the clients' representatives. Grants do offer a Blindspace installation service charged at a day rate of £1,050 ex vat or can provide a quotation on a job-by-job basis.

Delivery for blinds is 8-10 weeks from final survey and specification being completed. Installation time 2-3 weeks.

Main Contractors Discount

Has not been included but will need to add to pricing if required.

CIS scheme

Blinds & curtains are not part of the CIS scheme.
