About Sona

The UK's premium automated blind manufacturer. Crafted in Britain from premium quality materials. Combining high-quality craft with innovative technology, our blinds are designed to perfectly Complement your product portfolio.

Fabric

A Range of Colours to Suit Any Interior

Our premium, high-quality fabrics are expertly designed to provide both privacy and exceptional thermal control throughout the seasons. In warmer months, the innovative honeycomb design of our blackout fabric reflects the sun's rays to keep the room cool, whilst in winter, the cellular structure helps retain warmth by trapping air and creating an insulation blanket. The result is blinds that are not only stylish and durable but also energy-efficient. Save energy, stay warm in winter, and keep cool in summer with our luxurious fabric range.

DIMOUT

Our high-grade dimout fabric offers excellent privacy while softly diffusing light to create a welcoming and balanced ambiance. It's the perfect solution for those seeking superior light control.

BLACKOUT

Our innovative blackout fabric is expertly engineered and specially designed to shield light entering into the room, providing better thermal control, reduced noise and increased sun protection.

Hardware

The Perfect Finish to Complement Any Interior

Our luxuriously crafted, German-engineered hardware embodies exceptional quality and precision, designed to elevate any space with timeless durability. Each piece is meticulously finished with a premium fine texture coating, offering a refined, sophisticated appearance that surpasses the traditional gloss finishes commonly found in the industry.

Our curated standard colour palette includes White, Grey, Anthracite, and Black, thoughtfully designed to blend seamlessly with any interior décor. For those seeking a truly bespoke experience, we offer customisation with powder coating in your chosen RAL colour, ensuring a perfect match to your vision. This ultimate flexibility allows you to achieve a harmonious and luxurious aesthetic tailored to your unique style.

Material: Aluminium

Finish: Premium Fine Texture

Standard Colours: White, Grey, Anthracite, Black
