FREE upgrade to *electric*

on selected blinds

Electric blinds are perfect for hard-to-reach windows, take advantage of our free upgrade to electric on selected blinds. Our electric blinds use PowerView® automation and can be controlled with an app on your phone, a remote or through your smart home speakers. Discover the comfort and convenience of electric blinds.

Your local Luxaflex® retailer will help you find the right window treatment for your home, they will share all of the benefits of choosing electric and assist with your selection. Measuring and fitting services are available too, so you don't have to worry.

Scan for more information
and to see PowerView®
automation in action.
