Our range of blinds and curtains can provide more than colour and style to your rooms, we have specialist fabrics to make your window dressings practical for all reasons and all seasons –

there's options including blackout, recycled, moisture-resistant, Teflon™ coated and more.

So be inspired and get creative with our collections.

OUR RANGE

Find exactly what you're looking for in our collections

Each of our collections specialise in specific window dressings to make sure you can find exactly what you need for your home.

Rollers, Verticals, Pleated, Romans and Curtains are within our complete collection – you'll be sure to find plenty of gorgeous plains and textures, contemporary prints and classic weaves to add to your home. We've even got eco-friendly fabrics made from up to 100% recycled plastic bottles for a more conscious choice.

VISION BLINDS

Get ultimate light control with Dual Shade Roller blinds. They offer a unique stripe design that combines sheer and opaque fabrics, giving a great eye-catching effect whilst perfectly filtering the light.

FAUX WOOD BLINDS

Our range of Faux Wood Venetians have all the benefits of hard-wearing PVC whilst providing a natural wood look. Easy to clean and moisture-resistant, these are perfect for bathrooms and kitchens.

WOOD VENETIAN BLINDS

Our real Wood Venetian collection is renewably sourced from sustainable forests and offers beautiful wood slats in both natural and painted finishes, making them a staple window dressing that suits both current décor trends and traditional styles.

PERFECT FIT BLINDS

Available in Roller Blinds, Metal Venetian Blinds, Pleated and Cellular Blinds, PerfectFit® blinds sit in a frame that fits perfectly to your window, without any drilling or screws. The cordless tensioned operation makes them inherently child safe.

VELUX

Genuine Velux blinds are the perfect match for your skylight windows that are available as manual and motorised. Easy to open and close, Velux blinds are available in a range of Roller blind, Venetian Blind and Cellular fabrics, including blackout.

MOTORISATION

Is your home smart? With the rising popularity in home automation, many products are available with lithium rechargeable motors or hardwired motorisation. We are authorised dealers for market leaders such as Louvolite, Somfy, Silent Gliss and Luxaflex offering upto 5 years warranty.

ROOM TYPES

BATHROOM

Bathrooms don't just need to be functional, they can be brilliantly inviting spaces for you to relax and unwind in.

ROLLERS

We have sheer Rollers for added privacy to frosted windows and moisture-resistant fabrics for splash proofing.

KITCHEN

Practicality may be the most important factor for your kitchen window dressings, but that doesn't mean you can't make them stylish. The kitchen is often the heart of the home so combining style with practical window dressings is key.

ROLLER BLINDS

Wipe clean, flame-retardant and moisture-resistant options make Rollers the perfect choice for this room.

VISION BLINDS

Control light and privacy at your windows – great for kitchens that have a street view.

VERTICALS

The ideal solution for kitchen extensions with large glass windows, bi-fold or sliding doors.

LIVING ROOM

Create a living room you can't wait to come home to! Window dressings are the perfect finishing touch, and our range of specialist collections can help you add style and solutions to your living spaces.

SHUTTERS

Shutters can help reduce noise, help insulate the home and can be designed to work with all types of windows. They give your living room a statement piece for years to come.

ROMAN BLINDS

Add instant luxury to your windows with beautiful Roman blinds. There's plenty of plains or patterns to give an uplift to your windows. Add interlining to lock in the warmth during the winter months.

HOME OFFICE

Whether it's make-shift or a completely renovated room, you'll want to make sure your working from home office is sufficiently designed to help boost your productivity – and our range of blinds can help do just that.

VERTICALS

Choose from our range of anti-glare fabrics to make sure your screens are visible.

SHEER ROLLERS

Natural light boosts energy, creativity and productivity, making sheer Rollers a great choice to help diffuse light whilst maintaining privacy.

BEDROOM

Your bedroom should be your private, safe haven. And what better way to make it that than with a beautiful window dressing? Bedrooms are a great place to express your style and taste, and statement blinds of Curtains that give that perfectly finished look.

SHUTTERS

Help your sleep go undisturbed with Shutters – a great option for bedrooms that helps to block out light and also reduces noise from outside.

CURTAINS & ROMANS

Wrap your windows in luxurious Curtains and Romans. Curtains bring an extra layer of cosiness and warmth to a space and can be paired with Romans, Rollers or Verticals for a beautifully decorative look.

PLEATED

A Day & Night Transition™ Pleated blind offers you the night-time benefits of blackout fabric, while also helping you make the most of the sunlight throughout the day.

CHILDREN'S BEDROOM

Children's bedrooms are a great place to get really creative and inject bold colour and pattern – but more importantly we want to provide child safe options for your windows.

PERFECT FIT BLINDS

Fuss-free and streamlined, PerfectFit® blinds sit neatly into the window frame. The tabbed operation makes them inherently child safe – the perfect choice for children's bedrooms.

ROMANS

Ensure your little ones' routines aren't disturbed by the changing seasons by opting for a blackout lined Roman blind.

ROLLERS

Our Roller blind collection has a stunning mix of sheer, blackout, plain, printed and woven fabrics for you to choose from.

Whether it's for functionality or to add a simple decorative element to your décor, there are hundreds of fabrics to choose from, so you're sure to find a style to suit you.

There's a choice of specialist fabrics which includes wipe-clean, moisture-resistant, blackout and flame retardant, you can also make sure your window dressings are more eco-friendly with our range of fabrics that are manufactured from 100% recycled plastic bottles.

collections of
recycled eco-
friendly fabrics

There's a huge range of textures, colour and contemporary designs within our Vertical blinds range that can be incorporated into any living space, giving a stylish look. Our high quality fabrics can help control light, reduce glare and are adaptable to different types of windows – including bi-fold doors and even sloped windows.

STYLE TIP

Verticals can be fitted with chainless weights making them more child and pet friendly.

The logo consists of three concentric squares with a stylized 'C' and 'R' shape formed by the overlapping lines. The text 'CURTAINS & ROMANS' is written in a bold, white, sans-serif font across the center of the squares.

CURTAINS & ROMANS

Whether you're looking for simple, bold and bright, or patterned, Curtains instantly inject colour and cosiness to create the perfect accessory for your window.

Available in six heading styles to accommodate contemporary or traditional window types, choose from eyelets, classic pinch or pencil pleats or the simply elegant wave header. Curtains are a great way to layer other window dressings such as Verticals, Rollers or Venetians to really lock in that warmth and add extra privacy.

STYLE TIP
Give your Curtains a bespoke look with matching or contrasting tie backs, poles and tracks.

VENETIAN BLINDS

WOOD BLINDS

A timeless classic that's always stylish and practical, Wood Venetians are lightweight and durable, and great for ultimate light and privacy control. Natural wood colours can create a warm and welcoming feel whilst our painted range gives a more modern feel. All our Wood Venetian blinds are made from trees grown in sustainable forests.

STYLE TIP

Personalise the finished look with coloured and patterned tapes.

FAUXWOOD BLINDS

Our Faux Wood Venetian blinds range offers the beautiful look of real wood with all the benefits of PVC - they are a stylish and practical solution for all interior styles.

Incredibly hard-wearing, they are great for any room but particularly perfect for kitchens and bathrooms. Made from the highest quality materials to your specifications these blinds are a sure-fire winner.

METAL VENETIAN BLINDS

Metal Venetians, also known as Aluminium Venetians, are a popular choice for all rooms due to their versatility and practical features. Make a statement with our bold and vibrant colours, or create an ageless window masterpiece with softer and natural tones.

STYLE TIP

Metal Venetians are available in a PerfectFit® frame that fit into uPVC windows - so you can have a streamlined finish at your window with no drilling required.

The logo for Vision Blinds, featuring the words "VISION" and "BLINDS" stacked vertically in a bold, white, sans-serif font. The text is centered within a series of three concentric squares: an innermost black square, a middle orange square, and an outermost black square. The entire logo is set against a solid orange background.

VISION

A photograph of a modern kitchen interior. A large window is covered with white roller blinds that have a unique two-layer design. The blinds are partially open, allowing natural light to filter through. In the foreground, a white bar counter is visible with a white stool. On the counter, there are several white dishes, a vase with a green plant, and a glass. The background shows a kitchen with white cabinets and a built-in oven. A white pendant light hangs from the ceiling. The floor is made of light-colored wood.

Practical and stylish, this dynamic Roller blind enables light control whilst maintaining an outside view. With it's unique design, Vision blinds are made up of two layers of opaque and sheer fabric which glide past each other, bringing varying degrees of sunlight into your home. Close the blind for full privacy or have them open to allow the light to filter into your home.

PLEATED & CELLULAR BLINDS

You'll be spoilt for choice when it comes to our range of Pleated and Cellular Blinds. Designed to help you get the most out of your rooms, our range includes temperature controlling blinds, transition blinds and solutions to give you complete control over light and privacy. Pleated and Cellular blinds are also available in a PerfectFit® frame, ideal for uPVC windows and doors.

STYLE TIP

Pleated and Cellular blinds are brilliant to get the most out of conservatories – with options for roof and side blinds, they help keep rooms cool in the summer and warm in the winter.
