Other Location	FITTING INSTRUCTIONS	have shown customer my template. customer is aware blinds will catch on handles but will still pass and slightly catch. I have shown video of roof blinds and customer is happy with the cord going across.	1	0.00
Other Location	MANUFACTURING NOTES	when booking this job out fitters need to fit first call. need around 3 hours. if fitting local they will need to nip back end of the day once blinds are charged and unplug. make sure they have solar pack with this job as customer does not want to charge her self	1	0.00
