Important Information

Please read through and check the details of your order carefully and notify us of any errors as soon as possible. This information is now on our system and it is this that will be manufactured.

THE ESTIMATED DESPATCH DATE QUOTED IS SUBJECT TO US RECEIVING YOUR FABRICS AT LEAST 7 WORKING DAYS BEFOREHAND.

Please only send quantities of fabric requested in each item,

as we are unable to return surplus fabric

We will carry out a rudimentary check of your fabric, however it is the responsibility of your fabric supplier and yourself to send the correct quantity and quality. Any issues will need to be resolved between yourself and your supplier.

Delivery dates provided for our 'Advantage' products are currently estimates. We are experiencing irregular delays with transport, due to the new customs system and border crossings, so cannot guarantee the dispatch dates quoted. This will only be temporary until transport becomes more regular and reliable.
