Consumer Contracts Information, Cancellation and Additional Charges! Regulations 2013
 The Regulations require that traders give certain information to consumers who buy goods, services or digital content in addition to our contract details and full description of the good and services ordered.
 The Regulations give consumers a right to cancel contracts without penalty in certain circumstances. These rights DO NOT apply in the instance of the blinds you are ordering or made to measure and to your specification. You must therefore understand that you are signing a legally binding contract and that you will be unable to cancel it if you subsequently change your mind.
 It is, however, our responsibility to supply you with goods that meet your consumer rights. If you have any concerns that we have not met our legal obligations please contact us. It is our responsibility to deliver the goods that you have ordered. If we do not agree a delivery time we must deliver the goods without undue delay and certainly no later than 30 days from the day after the contract was made.
