

Fit the blind central to the cassette

KITCHEN BLIND

Supply in 40mm louvolite tube. Supply with white gemini bottom bar - smooth side on the front.

Fit the first and last blind bracket 1cm from the edges of the cassette.

3 blinds in one cassette fitted next to each other. Supply the blinds in 40mm louvolite tube. I intend to motorise the blinds so make sure the same amount of fabric is on each roll. Supply with white gemini bottom bar - smooth side on the front.
